*Transforming Lives,  
Changing The World*

# Introduction

Dear Faith Family,

Greetings in the name of our Lord Jesus!

To enable the Faith family to experience a breakthrough in all areas of our relationship with God, we have adopted a holistic approach to discipleship. A brand new curriculum has been reorganised and reconstructed to facilitate our growth – DISCIPLESHIP@FAITH.

“DISCIPLESHIP” is a call from Jesus for us to make disciples and for us to be one; it is not a programme or event, but a way of life<sup>1</sup>. It should therefore be the very thing that a church is and does; not merely one of the programmes of the church<sup>2</sup>. If discipleship is to permeate every aspect of church life and ministry, then it must aim for a heart change, through an obedience to follow Jesus Christ, and allowing His transforming power to change us from within.

“@FAITH” has significant connotations both to our church name, as well as to the five purposes of our church – Fellowship, Adoration, Involvement, Transformation and Harvest (F.A.I.T.H.). Therefore, DISCIPLESHIP@FAITH is a compilation of curriculums that encompasses the way we are seeking to grow in discipleship at Faith Methodist Church - through the five purposes of F.A.I.T.H.

DISCIPLESHIP@FAITH is a compilation of relevant courses planned to cover all aspects of our Christian life, with clear learning objectives and outcomes for you and your small group. It aims to facilitate the transforming power of the Holy Spirit through our Head (Knowledge), Heart (Attitudes), and Hands (Application). In this way, members not only obtain precious *knowledge*, but also experience a change in their *attitudes*, having internalised and solidified God's truths in their Hearts as they allow God to speak to them. *Application* lets them to put into practice what they have learned.

We pray that DISCIPLESHIP@FAITH will enable all of us to grow in our walk as disciples of Jesus, truly “transforming lives, changing the world” for God's glory!

Growing with you,

**Pastor Edwin Wong**  
Pastor-in-Charge

# How to Use

The DISCIPLESHIP@FAITH curriculum offers flexibility and allows you to take them in any order as they are not progressive. Small groups are now able to find recommended Bible study materials from our previous Small Group Curriculum, categorised according to the five purposes.

To cater to members at different levels of maturity, we have also designed the curriculum in two main categories:

- Core
- Supplementary

Core curriculum is targeted at everyone. It covers foundational topics pertaining to the fundamental aspects of our Christian faith and ministry. Supplementary curriculum contains additional courses that can help to further widen our understanding of those topics.

Information on the format of the courses is provided, so members can decide how to participate. There are three different formats:

- a. **Facilitated studies:** Small groups can contact the person listed in the curriculum to facilitate the study they are interested in during their small group meetings according to the number of lessons indicated;
- b. **Bible Studies/other materials:** Small Group Leaders are encouraged to lead the Bible Studies with tutorials by the Pastoral Team Members (PTM) to guide the leaders in facilitating their small groups in the studies;
- c. **Planned periodical equipping:** Ministries conduct courses periodically to equip existing and interested members in the area of their ministry.

New courses will be added and updated regularly. We will keep you notified through your small groups. Do watch out for them!

If you have any questions, please feel free to email to:
