Our Vision

To provide Christ-centred care and spiritual support through a network of trained and committed FaithCARE Ambassadors

Plant the Seed

FaithCARE Ministry is our church's one-to-one Christ Caring for People through People ministry. God can use a FaithCARE Ambassador to plant a seed of hope in a person who is feeling distressed and hopeless due to a crisis.

Water the Seed

FaithCARE Ministry will train and equip you so that you can be the person who will extend God's mercy, care and compassion to a hurting care receiver for as long as the need persists. You will journey with your care receiver to help him or her work through life's difficulties and issues.

God will make it grow

While FaithCARE Ambassadors care, God is the cure giver. God will bring forth new life and renewed faith in the hurting person and you as the FaithCARE Ambassador will grow spiritually as you serve others.

**If God is calling you to serve as a FaithCARE Ambassador,
call 6471 9420 to discuss with us how you can serve.**
