

8 Sept 2019

Dear Parents,

In celebration of Children's Day, we will be organising a **Kid's Carnival Day** for all kids aged 4-12 yrs old from SUN JAM@ 9, 10.30 and 11 on **Sun, 6 Oct, 10.30am-12pm at ACJC(Anglo Chinese Junior College)**, 25 Dover Close East. Registration is done on-line at tinyurl.com/sjcarnival19. Please register before the closing date of **22 Sept**.

Bus transport to ACJC will be provided for SUN JAM@ 9 and SUN JAM@ 11 kids. The children are to assemble in church at Charis Hall (for Primary) & Doulos Rm(for Pre-Primary) at **9.45am**. After the event, they will be bused back to church by 12.30pm. Please pick-up your kids from the same rooms after the 11am main Celebration Service.

Your child will have loads of fun at the Carnival, playing games, having party food and bonding within our SUN JAM family! Covet your prayers for a fun and safe time for all our children at the Carnival.

We would also like to inform you that we are having a **Young Scientist's Children's Day Outreach** event for kids aged 5-10 years old on **Sat, 5 Oct, 2pm-4.30pm**. More details are on the flyer given to your child. This is a wonderful opportunity for our SJ children to invite their pre-believer friends to this fun evangelistic party where they will learn all about their human bodies through interactive science activities and more importantly their Creator God's love for them. Registration can be done on-line at tinyurl.com/ojevents or through submitting the hard-copy forms to the SUN JAM teachers. We hope to see your child/children and their friends at this Outreach event.

Thanks and God bless.
