## **Prayer Is A Spiritual Weapon**

*“So Peter was kept in prison, but the church was earnestly praying to God for him.” (Acts 12:5)*

Peter was imprisoned by the order of King Herod Agrippa I and the king had earlier beheaded James – the brother of John and this pleased the religious leaders, so he had Peter arrested too and was planning to behead him after the Feast of the Unleavened Bread. Peter was chained securely, there were two soldiers in the cell and sixteen soldiers guarding outside the cell. In such a high security zone, it is impossible for Peter to escape but then with God nothing is impossible. **GOD IS POWERFUL.** An angel came during the night and led Peter out of the prison safely and he was reunited with the church who was earnestly praying for him in the home of Mary, the mother of John Mark. Prayer is a spiritual weapon that God has given to His children; it is a privileged communication to tap upon the supernatural resources, it is a powerful force to affect the outcome of a situation. And in our current situation, besides abiding by the “circuit breaker” measures, we must pray for a divine intervention to stop the Covid-19.

## **Prayer Pointers for Covid-19**

1. Pray for a miracle from God to save the world from the detrimental effect of the Covid-19; for His healing grace to come upon those who are affected and His sufficiency to meet the needy at this life-threatening period.
2. Pray for divine protection over all the medical and essential services personnel; that the Lord will build up their immunity system, grant deep refreshing sleep nightly and bless them with everlasting peace.
3. Pray that the Lord will guide all the governments of the world in their concerted effort to curtail the spread of Covid-19; for strength to persevere and divine protection over all of them and their families.
4. Pray that the citizens of Singapore will abide by the measures of the “circuit breaker” and that there will be no more new clusters of infection appearing in our land.
5. Pray that the Lord will set a “ring of fire” around every member and worshipper of Faith to keep them from being infected by the Covid-19 and instead keep them on “fire in the Spirit” in their pursuit of the Lord during this crisis.
