Prayer Is Key To Our Outreach Efforts

2 Thessalonians 3:1-5

In the spirit of our church's direction of "One Mission", Paul's prayer request seems very apt for us. We all want God's Word and Gospel to progress, and even so with little hindrance. But like Paul, we will need to pray for it. We may face discouragement in our outreach efforts and even at times face persecution, but we hold on to God and His Word.

God is faithful; our efforts will be honoured in our authentic work for Christ. God will establish and guard us from the evil one, uphold us and keep us firm in the faith.

Let us remember as we do outreach, that the work we do is not of us but of God and we are but a willing participant in this beautiful and marvellous plan God has for us. So, let us take heart and stay firm in our relationship with Christ. Let not any of our ministry efforts discourage us when we do not see the fruits but instead, turn our eyes back to Jesus.

As Paul encourages the Thessalonian church by praying for them, I pray for our Faith family that God may indeed direct our hearts to His love, and to the steadfastness of Christ that we may enjoy serving and experience the joy of being a channel of God's blessings to the communities around us. Jesus is our rock and let that be the very fact of our faith that keeps us going.
