56TH ANNIVERSARY COMBINED BILINGUAL SERVICE

FMC celebrated her 56th birthday with a combined bilingual worship service at ACJC school hall/LT 1 on 17 July. Bishop Dr Gordon Wong was the guest speaker, giving a sermon on 'Great is Thy Faithfulness' from Lamentations 3:21-26. After the service, FMC brought the congregation together with a sumptuous fellowship lunch across the ACJC campus.

Project Be-A-Blessing

To celebrate FMC's 56th Anniversary, our church worshippers, small groups and staff went out to the community to fulfil wishes and Be-A-Blessing to many disadvantaged families. The fulfilled wishes were in the form of Gifts, Acts of Service or Giving of Time. Wishes from several disadvantaged families as well as the beneficiaries of FaithActs and United Medicare Centre were granted. The beneficiaries had blessings in the form of gifts, outings to places of interest or small repair jobs done for them at their home. We join the happy beneficiaries and thank all who had participated so generously in Project Be-A-Blessing.

Small group, Green Pasture did some repairs to the toilet cistern of Aunty Sally Ang. The SG also repaired the spalling concrete ceiling of Mdm Wu. Both beneficiaries live in Commonwealth Crescent

FMC staff-Tammy Ang, Tracy Ng, Rachael Sim, Teo Lin DI and Mary Lew (only two in photo here) adopted a wish and bought a water heater for Mdm Kayathri

TTB MEETS BBT

Our Youth ministry, **The TackleBox (TTB)**, has resumed in-person TTB Meets! Happy to see our youths back in church as a community in our youth space every **1st Saturday of the month**, since the onset of COVID-19. We look forward to our youths serving one another and celebrating in each others' lives.

On 3 Sep the youths enjoyed a Bubble Tea (BBT) Fellowship before the start of TTB Meets. It was a real joy to see our Match team serving bubble tea, and even customising the cups for each youth!

We look forward to more food fellowship in the coming months, so keep your eyes peeled!

Transformed by the Word (TBTW)

Readings from July to December 2022 continues with the remaining four books of the Pentateuch, or the Torah in sequence. We will also read the book of Joshua.

How will these books relate to us in our daily lives? What can we learn about God and ourselves through these books?

- Download the PDF or add the readings to your calendar from www.faithmc.sg/event/tbtw-2022
- Join the TBTW Telegram community to post or read each other's reflections of the day!

From NuJiang to Singapore- Xiong Hui Ling's journey to full time ministry

In 2006, Faith Methodist Church (FMC) sent a mission team to Nujiang, Shan State Myanmar to minister to a children's shelter.

The team encountered many disadvantaged students, including a teenage girl named, Swe Swe Oo (Xiong Hui Ling). Hui Ling attained consistent good grades in primary and secondary schools and was selected with a few other students to receive financial aid to pursue further studies. She went on to attain a university degree in Philosophy. As the only Nujiang student with a bachelor's degree, Faith Foundation awarded Hui Ling a scholarship to further her studies at Trinity Theological College (TTC) in Singapore. During her academic pursuit at TTC, Hui Ling interned at FMC's Mandarin Ministry. Upon her graduation with a Master in Divinity, FMC asked if she could serve for one year and she gladly agreed.

FMC is happy to have Hui Ling at the Mandarin Ministry. Apart from preaching, she also ministers to members of the congregation in areas such as bereavement, hospitalisation, home visitation and small groups.

Meet Sarah Ng -Young Volunteer at Sun Jam

Wow

12 year old Sarah started playing the violin when she was 6 years old and during the pandemic, she switched to the Viola as the notes from this instrument were richer.

When her parents encouraged her to play during worship in SunJam@9, she stepped up by starting with Doxology. At SunJam@9, worship leaders made an open call to the children who could play any musical instruments during worship and 3 children stepped up. Till date, they have been playing Doxology and The Lord's Prayer, and recently starting to play worship songs.

Sarah shares 'God gave us talents & with different talents, we can come together and use our talents to glorify God.'

What a wonderful sentiment and so if you or your child can play a musical instrument, perhaps it's time to consider volunteering at SunJam?

Do you have a musical talent?
Come and serve at SunJam.
