### 2. FaithCARE Talk:

#### **Understanding Anxiety**

In Singapore, about 10% of the population suffer from anxiety and depressive disorders. Understanding anxiety is crucial for effectively managing and alleviating its symptoms. Anxiety is a natural response to stress or danger, but when it becomes excessive or persistent, it can significantly impair daily functioning and overall well-being. Our speaker, Mr Winston Tay will explain on the possible causes and how one can access treatment and support.

Mr Tay has more than 15 years of providing counselling and psychotherapy experience in various settings. He is currently the Clinical Director, Consultant and Psychotherapist with Charis Lifeworks. He is also a registered member and

In God we trust

Zechariah 10:1-3

clinical supervisor with Singapore Association for Counselling.

He is also a member of American Counselling Association and the current president of Bowen Therapy Association (Singapore).

In 2017, Mr Tay was appointed a Mental Health Consultant with the United Nations (UNFPA Bangladesh).

He lectures with various Universities in Singapore and government organisations.

Mr Tay will share with us some practical ways to help ourselves and to provide guidance for our family members and friends to help them better cope with anxiety.

## ANNOUNCEMENTS

### 8. Unlabelled Run 2024

This year's Unlabelled Run on 18 May 2024 is organised by The New Charis Mission. Individuals who are unfairly labelled can experience negative consequences such as stigmatization and discrimination. To raise awareness about the harm of these labels, in 2016, The New Charis Mission initiated the "Unlabelled Run", a 5km fun run and 10km competitive run, to advocate the removal of these harmful labels. We hope that Faith family will support this movement to build a more inclusive, cohesive & compassionate society.
